#### ARTICLE I

##### ASSOCIATION OF OWNERS

Walden Woods II, a residential Condominium Project located in the City of Novi, Oakland County, Michigan, shall be administered by an Association of Owners which shall be a non-profit corporation, hereinafter called the "Association", organized under the applicable laws of the State of Michigan, and responsible for the management, maintenance, operation and administration of the Common Elements, easements and affairs of the Condominium Project in accordance with the Condominium Documents and the laws of the State of Michigan. These Bylaws shall constitute both the Bylaws referred to in the Master Deed and required by Section 3(8) of the Act and the Bylaws provided for under the Michigan Nonprofit Corporation Act. Each Owner shall be entitled to membership and no other person or entity shall be entitled to membership. The share of an Owner in the funds and assets of the Association cannot be assigned, pledged or transferred in any manner except as an appurtenance to his Unit. The Association shall keep current copies of the Master Deed, all amendments to the Master Deed, and other Condominium Documents for the Condominium Project available at reasonable hours to Owners, prospective purchasers and prospective mortgagees of Units in the Condominium Project. All Owners in the Condominium Project and all persons using or entering upon or acquiring any interest in any Unit therein or the Common Elements thereof shall be subject to the provisions and terms set forth in the aforesaid Condominium Documents.

#### ARTICLE II

##### ASSESSMENTS

All expenses arising from the management, administration and operation of the Association in pursuance of its authorizations and responsibilities as set forth in the Condominium Documents and the Act shall be levied by the Association against the Units and the Owners thereof in accordance with the following provisions:

Section 1. Assessments for Common Elements. All costs incurred by the Association in satisfaction of any liability arising within, caused by, or connected with the Common Elements or the administration of the Condominium Project shall constitute expenditures affecting the administration of the Project, and all sums received as the proceeds of, or pursuant to, any policy of insurance securing the interest of the Owners against liabilities or losses arising within, caused by, or connected with the Common Elements or the administration of the Condominium Project shall constitute receipts affecting the administration of the Condominium Project, within the meaning of Section 54(4) of the Act.

Section 2. Determination of Assessments. Assessments shall be determined in accordance with the following provisions:

(a) Budget; Regular Assessments. The Association shall establish an annual budget in advance for each fiscal year and such budget shall project all expenses for the forthcoming year which may be required for the proper operation, management and maintenance of the Condominium Project, including a reasonable allowance for contingencies and reserves. An adequate reserve fund for maintenance, repairs and replacement of those Common Elements that must be replaced on a periodic basis shall be established in the budget and must be funded by regular payments as set forth in Section 2(c) below rather than by special assessments. At a minimum, the reserve fund shall be equal to ten (10%) per cent of the Association's current annual budget on a noncumulative basis. Since the minimum standard required by this subparagraph may prove to be inadequate for this particular project, the Association of Owners should carefully analyze the Condominium Project to determine if a greater amount should be set aside, or if additional reserve funds should be established for other purposes from time to time. Upon adoption of an annual budget by the Association, copies of the budget shall be delivered to each Owner and the assessment for said year shall be established based upon said budget. The annual assessments as so determined and levied shall constitute a lien against all Units as of the first day of the fiscal year to which the assessments relate. Failure to deliver a copy of the budget to each Owner shall not affect or in any way diminish such lien or the liability of any Owner for any existing or future assessments. Should the Association at any time decide, in its sole discretion: (1) that the assessments levied are or may prove to be insufficient (a) to pay the costs of operation and management of the Condominium, (b) to provide replacements of existing Common Elements, (c) to provide additions to the Common Elements not exceeding \$1,500.00 Dollars annually for the entire Condominium Project, or (2) that an emergency exists, the Association shall have the authority to increase the general assessment or to levy such additional assessment or assessments as it shall deem to be necessary. The Association also shall have the authority, without Owner consent, to levy assessments pursuant to the provisions of Article V hereof. The discretionary authority of the Association to levy assessments pursuant to this subparagraph shall rest solely with the Association for the benefit of the members thereof, and shall not be enforceable by any creditors of the Association or of the members thereof.

(b) Special Assessments. Special assessments, in addition to those required in subparagraph (a) above, may be made by the Association from time to time and approved by the Owners as hereinafter provided to meet other requirements of the Association, including, but not limited to: (1) assessments for additions to the Common Elements of a cost exceeding \$1,500.00 Dollars for the entire Condominium Project per year, (2) assessments to purchase a Unit upon foreclosure of the lien for assessments described in Section 5 hereof, or (3) assessments for any other appropriate purpose not elsewhere herein described. Special assessments referred to in this subparagraph

(b) (but not including those assessments referred to in subparagraph 2(a) above, which shall be levied in the sole discretion of the Association) shall not be levied without the prior approval of more than 60% of all Owners. The authority to levy assessments pursuant to this subparagraph is solely for the benefit of the Association and the members thereof and shall not be enforceable by any creditors of the Association or of the members thereof.

(c) Apportionment of Assessments. All assessments levied against the Owners to cover expenses of administration shall be apportioned among and paid by the Owners in accordance with each Owner's proportionate share of the expenses of administration as provided in Article V, Section 2 of the Master Deed and without increase or decrease for the existence of any rights to the use of Limited Common Elements appurtenant to a Unit except as otherwise specifically provided in the Master Deed. Annual assessments as determined in accordance with Article II, Section 2(a) above shall be payable by Owners in 4 equal quarterly installments, commencing with acceptance of a deed to or a land contract vendee's interest in a Unit, or with the acquisition of fee simple title to a Unit by any other means.

Section 3. Developer's Responsibility for Assessments. The Developer of the Condominium, although a member of the Association, shall not be responsible at any time for payment of the regular Association assessments. The Developer, however, shall at all times pay all expenses of maintaining the Units that it owns, including the improvements located thereon, together with a proportionate share of all current expenses of administration actually incurred by the Association from time to time, except expenses related to maintenance and use of the Units in the Project and of the improvements constructed within or appurtenant to the Units that are not owned by Developer. For purposes of the foregoing sentence, the Developer's proportionate share of such expenses shall be based upon the ratio of all Units owned by the Developer at the time the expense is incurred to the total number of Units then in the Project. The only expenses in which it is contemplated that the Developer will share are (1) liability insurance premiums for the Common Elements (2) snow plowing of roads (3) minimal maintenance of Common Element landscaped areas (4) miscellaneous administrative expenses such as postage, office supplies and expense of filing required Association reports. The Developer may assign the assessment exemptions under this Section to any builder or other person or entity to whom or which it sells a vacant Unit. In no event shall the Developer (or its assignee) be responsible for payment of any assessments for or with respect to deferred maintenance, reserves for replacement, reserves for contingencies, for capital improvements or other special assessments, except with respect to Units owned by it on which there is a completed residential dwelling. Further, the Developer or any assignee of the Developer hereunder shall in no event be liable for any assessment levied in whole or in part to purchase any Unit from the Developer or to finance any litigation or other claims against the Developer, any cost of investigating and preparing such litigation or claim or any similar or related costs. A "completed residential dwelling" shall mean a residential dwelling with respect to which a certificate of occupancy has been issued by City of Novi.

Section 4. Penalties for Default. The payment of an assessment shall be in default if any installment thereof is not paid to the Association in full on or before the due date for such installment. A late charge not to exceed twenty-five (\$25.00) dollars per installment may be assessed automatically by the Association upon each installment in default for ten or more days until paid in full. The Association may, pursuant to Article XX hereof, levy fines for late payment of assessments in addition to such late charge. Each Owner (whether one or more persons) shall be, and remain, personally liable for the payment of all assessments (including fines for late payment and costs of collection and enforcement of payment) pertinent to his Unit which may be levied while such Owner is the owner thereof, except a land contract purchaser from any Owner including Developer shall be so personally liable and such land contract seller shall not be personally liable for all such assessments levied up to and including the date upon which such land contract seller actually takes possession of the Unit following extinguishment of all rights of the land contract purchaser in the Unit. Payments on account of installments of assessments in default shall be applied as follows: first, to costs of collection and enforcement of payment, including reasonable attorney's fees; second, to any interest charges and fines for late payment on such installments; and third, to installments in default in order of their due dates.

Section 5. Liens for Unpaid Assessments. Sums assessed to the Association which remain unpaid, including but not limited to regular assessments, special assessments, fines and late charges, shall constitute a lien upon the Unit or Units in the Project owned by the Owner at the time of the assessment and upon the proceeds of sale thereof. Any such unpaid sum shall constitute a lien against the Unit as of the first day of the fiscal year to which the assessment, fine or late charge relates and shall be a lien prior to all claims except real property taxes and first mortgages of record. All charges which the Association may levy against any Owner shall be deemed to be assessments for purposes of this Section and Section 108 of the Act.

Section 6. Waiver of Use or Abandonment of Unit. No Owner may exempt himself from liability for his contribution toward the expenses of administration by waiver of the use or enjoyment of any of the Common Elements or by the abandonment of his Unit.

#### Section 7. Enforcement.

(a) Remedies. In addition to any other remedies available to the Association, the Association may enforce collection of delinquent assessments by a suit at law for a money judgment or by foreclosure of the statutory lien that secures payment of assessments. In the event of default by any Owner in the payment of any installment of the annual assessment levied against his Unit, the Association shall have the right to declare all unpaid installments of the annual assessment for the pertinent fiscal year immediately due and payable. The Association also may discontinue the furnishing of any utilities or other services to an Owner in default upon seven-day written notice to such Owner of its intention to do so. An Owner in default shall not be entitled to utilize any of the General Common Elements of the Project and shall not be entitled to vote at any meeting of the Association so long as such default continues; provided, however,

this provision shall not operate to deprive any Owner of ingress or egress to and from his Unit. In a judicial foreclosure action, a receiver may be appointed to collect a reasonable rental for the Unit from the Owner thereof or any persons claiming under him. The Association may also assess fines for late payment or non-payment of assessments in accordance with the provisions of Article XX of these Bylaws. All of these remedies shall be cumulative and not alternative.

(b) Foreclosure Proceedings. Each Owner, and every other person who from time to time has any interest in the Project, shall be deemed to have granted to the Association the unqualified right to elect to foreclose the lien securing payment of assessments either by judicial action or by advertisement. The provisions of Michigan law pertaining to foreclosure of mortgages by judicial action and by advertisement, as the same may be amended from time to time, are incorporated herein by reference for the purposes of establishing the alternative procedures to be followed in lien foreclosure actions and the rights and obligations of the parties to such actions. Further, each Owner and every other person who from time to time has any interest in the Project shall be deemed to have authorized and empowered the Association to sell or to cause to be sold the Unit with respect to which the assessment(s) is or are delinquent and to receive, hold and distribute the proceeds of such sale in accordance with the priorities established by applicable law. Each Owner of a Unit in the Project acknowledges that at the time of acquiring title to such Unit, he was notified of the provisions of this subparagraph and that he voluntarily, intelligently and knowingly waived notice of any proceedings brought by the Association to foreclose by advertisement the lien for nonpayment of assessments and a hearing on the same prior to the sale of the subject Unit.

(c) Notice of Action. Notwithstanding the foregoing, neither a judicial foreclosure action nor a suit at law for a money judgment shall be commenced, nor shall any notice of foreclosure by advertisement be published, until the expiration of ten days after mailing, by first class mail, postage prepaid, addressed to the delinquent Owner(s) at his or their last known address, a written notice that one or more installments of the annual assessment levied against the pertinent Unit is or are delinquent and that the Association may invoke any of its remedies hereunder if the default is not cured within ten days after the date of mailing. Such written notice shall be accompanied by a written affidavit of an authorized representative of the Association that sets forth (1) the affiant's capacity to make the affidavit, (2) the statutory and other authority for the lien, (3) the amount outstanding (exclusive of interest, costs, attorney's fees and future assessments), (4) the legal description of the subject Unit(s), and (5) the name(s) of the Owner(s) of record. Such affidavit shall be recorded in the office of the Oakland County Register of Deeds prior to commencement of any foreclosure proceeding, but it need not have been recorded as of the date of mailing. If the delinquency is not cured within the ten-day period, the Association may take such remedial action as may be available to it hereunder or under Michigan law. In the event the Association elects to foreclose

the lien by advertisement, the Association shall so notify the delinquent Owner and shall inform him that he may request a judicial hearing by bringing suit against the Association.

(d) Expenses of Collection. The expenses incurred in collecting unpaid assessments, including interest, costs, actual attorney's fees (not limited to statutory fees) and advances for taxes or other liens paid by the Association to protect its lien, shall be chargeable to the Owner in default and shall be secured by the lien on his Unit.

Section 8. Statement as to Unpaid Assessments. The purchaser of any Unit may request a statement of the Association as to the amount of any unpaid Association assessments thereon, whether regular or special. Upon written request to the Association accompanied by a copy of the executed purchase agreement pursuant to which the purchaser holds the right to acquire a Unit, the Association shall provide a written statement of such unpaid assessments as may exist or a statement that none exist, which statement shall be binding upon the Association for the period stated therein. Upon the payment of that sum within the period stated, the Association's lien for assessments as to such Unit shall be deemed satisfied; provided, however, that the failure of a purchaser to request such statement at least five days prior to the closing of the purchase of such Unit shall render any unpaid assessments and the lien securing the same fully enforceable against such purchaser and the Unit itself, to the extent provided by the Act.

Section 9. Liability of Mortgagee. Notwithstanding any other provisions of the Condominium Documents, the holder of any first mortgage covering any Unit in the Project which comes into possession of the Unit pursuant to the remedies provided in the mortgage or by deed (or assignment) in lieu of foreclosure, or any purchaser at a foreclosure sale, shall take the property free of any claims for unpaid assessments or charges against the mortgaged Unit which accrue prior to the time such holder comes into possession of the Unit (except for claims for a pro rata share of such assessments or charges resulting from a pro rata reallocation of such assessments or charges to all Units including the mortgaged Unit).

Section 10. Property Taxes and Special Assessments. All property taxes and special assessments levied by any public taxing authority shall be assessed in accordance with Section 131 of the Act.

Section 11. Personal Property Tax Assessment of Association Property. The Association shall be assessed as the person or entity in possession of any tangible personal property of the Condominium owned or possessed in common by the Owners, and personal property taxes based thereon shall be treated as expenses of administration.

Section 12. Construction Lien. A construction lien otherwise arising under Act No. 497 of the Michigan Public Acts of 1980, as amended, shall be subject to Section 132 of the Act.

## ARTICLE III

### ARBITRATION

Section 1. Scope and Election. Disputes, claims, or grievances arising out of or relating to the interpretation or the application of the Condominium Documents, or any disputes, claims or grievances arising among or between the Owners and the Association, upon the election and written consent of the parties to any such disputes, claims or grievances (which consent shall include an agreement of the parties that the judgment of any circuit court of the State of Michigan may be rendered upon any award pursuant to such arbitration), and upon written notice to the Association, shall be submitted to arbitration and the parties thereto shall accept the arbitrator's decision as final and binding, provided that no question affecting the claim of title of any person to any fee or life estate in real estate is involved. The Commercial Arbitration Rules of the American Arbitration Association as amended and in effect from time to time hereafter shall be applicable to any such arbitration.

Section 2. Judicial Relief. In the absence of the election and written consent of the parties pursuant to Section 1 above, no Owner or the Association shall be precluded from petitioning the courts to resolve any such disputes, claims or grievances.

Section 3. Election of Remedies. Such election and written consent by Owners or the Association to submit any such dispute, claim or grievance to arbitration shall preclude such parties from litigating such dispute, claim or grievance in the courts.

## ARTICLE IV

### INSURANCE

Section 1. Extent of Coverage. The Association shall, to the extent appropriate in light of the nature of the General Common Elements of the Project, carry fire and extended coverage, vandalism and malicious mischief and liability insurance (in a minimum amount to be determined by the Developer or the Association in its discretion, but in no event less than \$1,000,000 per occurrence), officers' and directors' liability insurance, and workmen's compensation insurance, if applicable, and any other insurance the Association may deem applicable, desirable or necessary, pertinent to the ownership, use and maintenance of the General Common Elements and such insurance shall be carried and administered in accordance with the following provisions:

(a) Responsibilities of Association. All such insurance shall be purchased by the Association for the benefit of the Association, the Developer and the Owners and their mortgagees, as their interests may appear, and provision shall be made for the issuance of certificates of mortgagee endorsements to the mortgagees of Owners.

(b) Insurance of Common Elements. All General Common Elements of the Condominium Project shall be insured against fire and other perils covered by a standard extended coverage endorsement, if applicable and appropriate, in an amount equal to the current insurable replacement value, excluding foundation and excavation costs, as determined annually by the Board of Directors of the Association. The Association shall not be responsible, in any way, for maintaining insurance with respect to Limited Common Elements.

(c) Premium Expenses. All premiums on insurance purchased by the Association pursuant to these Bylaws shall be expenses of administration.

(d) Proceeds of Insurance Policies. Proceeds of all insurance policies owned by the Association shall be received by the Association, held in a separate account and distributed to the Association and the Owners and their mortgagees, as their interests may appear; provided, however, whenever repair or reconstruction of the Condominium shall be required as provided in Article V of these Bylaws, the proceeds of any insurance received by the Association as a result of any loss requiring repair or reconstruction shall be applied for such repair or reconstruction and in no event shall hazard insurance proceeds be used for any purpose other than for repair, replacement or reconstruction of the Project unless all of the institutional holders of first mortgages on Units in the Project have given their prior written approval.

Section 2. Authority of Association to Settle Insurance Claims. Each Owner, by ownership of a Unit in the Condominium Project, shall be deemed to appoint the Association as his true and lawful attorney-in-fact to act in connection with all matters concerning the maintenance of fire and extended coverage, vandalism and malicious mischief, liability insurance and workmen's compensation insurance, if applicable, pertinent to the Condominium Project and the General Common Elements appurtenant thereto, with such insurer as may, from time to time, provide such insurance for the Condominium Project. Without limitation on the generality of the foregoing, the Association as said attorney shall have full power and authority to purchase and maintain such insurance, to collect and remit premiums therefor, to collect proceeds and to distribute the same to the Association, the Owners and respective mortgagees, as their interests may appear (subject always to the Condominium Documents), to execute releases of liability and to execute all documents and to do all things on behalf of such Owner and the Condominium as shall be necessary or convenient to the accomplishment of the foregoing.

Section 3. Responsibilities of Owners. Each Owner shall be obligated and responsible for obtaining fire and extended coverage and vandalism and malicious mischief insurance with respect to the building and all other improvements constructed or to be constructed within the perimeter of his Condominium Unit and for his personal property located therein or thereon or elsewhere on the Condominium Project. There is no responsibility on the part of the Association to insure any of such improvements whatsoever. All such insurance shall be carried by each Owner in an amount equal to the maximum

insurable replacement value, excluding foundation and excavation costs. Each Owner shall deliver certificates of insurance to the Association from time to time to evidence the continued existence of all insurance required to be maintained by the Owner hereunder. In the event of the failure of an Owner to obtain such insurance or to provide evidence thereof to the Association, the Association may obtain such insurance on behalf of such Owner and the premiums therefor shall constitute a lien against the Owner's Unit which may be collected from the Owner in the same manner that Association assessments may be collected in accordance with Article II hereof. Each Owner also shall be obligated to obtain insurance coverage for his personal liability for occurrences within the perimeter of his Unit or the improvements located thereon (naming the Association and the Developer as insureds), and also for any other personal insurance coverage that the Owner wishes to carry. Such insurance shall be carried in such minimum amounts as may be specified by the Association (and as specified by the Developer during the Development and Sales Period) and each Owner shall furnish evidence of such coverage to the Association or the Developer upon request. The Association shall under no circumstances have any obligation to obtain any of the insurance coverage described in this Section 3 or any liability to any person for failure to do so.

Section 4. Waiver of Right of Subrogation. The Association and all Owners shall use their best efforts to cause all property and liability insurance carried by the Association or any Owner to contain appropriate provisions whereby the insurer waives its right of subrogation as to any claims against any Owner or the Association.

Section 5. Indemnification. Each individual Owner shall indemnify and hold harmless every other Owner, the Developer and the Association for all damages and costs, including attorneys' fees, which such other Owners, the Developer or the Association may suffer as a result of defending any claim arising out of an occurrence on or within such individual Owner's Unit and shall carry insurance to secure this indemnity if so required by the Association (or the Developer during the Development and Sales Period). This Section 5 shall not be construed to give any insurer any subrogation right or other right or claim against any individual Owner, however.

## ARTICLE V

### RECONSTRUCTION OR REPAIR

Section 1. Responsibility for Reconstruction or Repair. If any part of the Condominium Premises shall be damaged, the determination of whether or not it shall be reconstructed or repaired, and the responsibility therefor, shall be as follows:

(a) General Common Element. If the damaged property is a General Common Element, the damaged property shall be rebuilt or repaired unless all of the Owners and all of the institutional holders of mortgages on any Unit in the Project unanimously agree to the contrary.

(b) Unit or Improvements Thereon. If the damaged property is a Unit or any improvements thereon, the Owner of such Unit alone shall determine whether to rebuild or repair the damaged property, subject to the rights of any mortgagee or other person or entity having an interest in such property, and such Owner shall be responsible for any reconstruction or repair that he elects to make. The Owner shall in any event remove all debris and restore his Unit and the improvements thereon to a clean and sightly condition satisfactory to the Association and in accordance with the provisions of Article VI hereof as soon as reasonably possible following the occurrence of the damage.

Section 2. Repair in Accordance with Master Deed, Etc. Any such reconstruction or repair shall be substantially in accordance with the Master Deed and the original plans and specifications for any damaged improvements located within the Unit to the extend it is practical and subject to the approval of the Co-Owner of the affected unit.

Section 3. Association Responsibility for Repair. Immediately after the occurrence of a casualty causing damage to property for which the Association has the responsibility of maintenance, repair and reconstruction, the Association shall obtain reliable and detailed estimates of the cost to place the damaged property in a condition as good as that existing before the damage. If the proceeds of insurance are not sufficient to defray the estimated cost of reconstruction or repair required to be performed by the Association, or if at any time during such reconstruction or repair, or upon completion of such reconstruction or repair, the funds for the payment of the cost thereof are insufficient, assessment shall be made against all Owners for the cost of reconstruction or repair of the damaged property in sufficient amounts to provide funds to pay the estimated or actual cost of repair. This provision shall not be construed to require replacement of mature trees and vegetation with equivalent trees or vegetation.

Section 4. Timely Reconstruction and Repair. If damage to the General Common Elements adversely affects the appearance of the Project, the Association shall proceed with replacement of the damaged property without delay.

Section 5. Eminent Domain. The following provisions shall control upon any taking by eminent domain:

(a) Taking of Unit or Improvements Thereon. In the event of any taking of all or any portion of a Unit or any improvements thereon by eminent domain, the award for such taking shall be paid to the Owner of such Unit and the mortgagee thereof, as their interests may appear, notwithstanding any provision of the Act to the contrary. If an Owner's entire Unit is taken by eminent domain, such Owner and his mortgagee shall, after acceptance of the condemnation award therefor, be divested of all interest in the Condominium Project.

(b) Taking of General Common Elements. If there is any taking of any portion of the General Common Elements, the condemnation proceeds

relative to such taking shall be paid to the Owners and their mortgagees in proportion to their respective interests in the Common Elements and the affirmative vote of more than 50% of the Owners shall determine whether to rebuild, repair or replace the portion so taken or to take such other action as they deem appropriate.

(c) Continuation of Condominium After Taking. In the event the Condominium Project continues after taking by eminent domain, then the remaining portion of the Condominium Project shall be resurveyed and the Master Deed amended accordingly, and, if any Unit shall have been taken, then Article V of the Master Deed shall also be amended to reflect such taking and to proportionately readjust the percentages of value of the remaining Owners based upon the continuing value of the Condominium of 100%. Such amendment may be effected by an officer of the Association duly authorized by the Board of Directors without the necessity of execution or specific approval thereof by any Owner.

(d) Notification of Mortgagees. In the event any Unit in the Condominium, or any portion thereof, or the Common Elements or any portion thereof, is made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, the Association promptly shall so notify each institutional holder of a first mortgage lien on any of the Units in the Condominium.

(e) Applicability of the Act. To the extent not inconsistent with the foregoing provisions, Section 133 of the Act shall control upon any taking by eminent domain.

Section 6. Notification of FHLMC and FNMA. In the event any mortgage in the Condominium is held by the Federal Home Loan Mortgage Corporation ("FHLMC") or by the Federal National Mortgage Association ("FNMA") then, upon request therefor by FHLMC, or FNMA, as the case may be, the Association shall give it written notice at such address as it may, from time to time, direct of any loss to or taking of the Common Elements of the Condominium if the loss or taking exceeds \$10,000 in amount or damage to a Condominium Unit covered by a mortgage purchased in whole or in part by FHLMC or FNMA exceeds \$1,000. The same right of notice shall also be extended to private and public insurers of mortgage loans.

Section 7. Priority of Mortgagee Interests. Nothing contained in the Condominium Documents shall be construed to give an Owner or any other party priority over any rights of first mortgagees of Condominium Units pursuant to their mortgages in the case of a distribution to Owners of insurance proceeds or condemnation awards for losses to or a taking of Condominium Units and/or Common Elements.

## ARTICLE VI

### RESTRICTIONS

All of the Units in the Condominium shall be held, used and enjoyed subject to the following limitations and restrictions:

Section 1. Residential Use. No Unit in the Condominium shall be used for other than single-family residential purposes and the Common Elements shall be used only for purposes consistent with single-family residential use and in accordance with the ordinances of the City of Novi.

Section 2. Leasing and Rental. See Attached Amendment

(a) Right to Lease. An Owner may lease or sell his Unit for the same purposes set forth in Section 1 of this Article VI. The terms of all leases, occupancy agreements and occupancy arrangements shall incorporate, or be deemed to incorporate, all of the provisions of the Condominium Documents.

(b) Payment of Assessment. When an Owner is in arrears to the Association for assessments, the Association may give written notice of the arrearage to a tenant occupying an Owner's Unit under a lease or rental agreement and the tenant, after receiving the notice, shall deduct from rental payments due the Owner the arrearage and future assessments as they fall due and pay them to the Association. The deductions shall not constitute a breach of the rental agreement or lease by the tenant.

Section 3. Architectural Control. No building, structure or other improvement shall be constructed within a Condominium Unit or elsewhere within the Condominium Project, nor shall any exterior modification be made to any existing buildings, structure or improvement, unless plans and specifications therefor, containing such detail as the Developer may reasonably request, have first been approved in writing by the Developer. Construction of any building or other improvements must also receive any necessary approvals from the local public authority. The Developer shall have the right to refuse to approve any such plans or specifications which are not suitable or desirable in its opinion for aesthetic or other reasons; and in passing upon such plans and specifications it shall have the right to take into consideration the suitability of the proposed structure, improvement or modification, the site upon which it is proposed to be constructed and the degree of harmony thereof with the Condominium as a whole. Outbuildings of any sort will generally not be approved. The purpose of this Section is to assure the continued maintenance of the Condominium as a beautiful and harmonious residential development, and shall be binding upon both the Association and upon all Owners. Developer's rights under this Article VI, Section 3 may, in the Developer's discretion, be assigned to the Association or other successor to the Developer and shall, upon conclusion of the Development and Sales Period, be assigned to the Association. The Developer may construct or authorize any improvements upon the Condominium Premises that it may, in its sole discretion, elect to make without the necessity of prior consent from the Association or any other person or entity, subject only to the express limitations contained in the Condominium Documents.

Section 4. Alterations and Modifications of Common Elements. No Owner shall make alterations, modifications or changes in any of the Units or Common Elements without the express written approval of the Board of Directors or the Developer as required pursuant to these Bylaws, including, without limitation, the erection of antennas, aerials, awnings, newspaper holders,

mailboxes, flag poles or other exterior attachments or modifications. Satellite dish antennae may be approved by the Developer if they are placed in an unobtrusive location and do not exceed eighteen (18) inches in diameter. No Owner shall in any way restrict access to any utility line, or any other element that must be accessible to service the Common Elements or any element which affects an Association responsibility in any way.

**Section 5. Activities.** No immoral, improper, unlawful or offensive activity shall be carried on in any Unit or upon the Common Elements nor shall anything be done which may be or become an annoyance, a nuisance or a safety hazard to the Owners of the Condominium. No unreasonably noisy activity shall occur in or on the Common Elements or in any Unit at any time and disputes among Owners, arising as a result of this provision which cannot be amicably resolved, shall be arbitrated by the Association. No Owner shall do or permit anything to be done or keep or permit to be kept in his Unit or on the Common Elements anything that will increase the rate of insurance on the Condominium without the written approval of the Association, and each Owner shall pay to the Association the increased cost of insurance premiums resulting from any such activity or the maintenance of any such condition even if approved. Activities which are deemed offensive and are expressly prohibited include, but are not limited to, the following: any activity involving the use of firearms, air rifles, pellet guns, B-B guns, bows and arrows, or other similar dangerous weapons, projectiles or devices.

**Section 6. Pets and Other Animals.** No animal other than those commonly regarded as household pets may be maintained within the Condominium and no animal may be kept or bred for any commercial purpose and shall have such care and restraint so as not to be obnoxious or offensive on account of noise, odor or unsanitary conditions. No animal may be permitted to run loose at any time upon the Common Elements and any animal shall at all times be leashed and attended by some responsible person while on the Common Elements. No savage or dangerous animal shall be kept and any Owner who causes any animal to be brought or kept upon the premises of the Condominium shall indemnify and hold harmless the Association for any loss, damage or liability which the Association may sustain as the result of the presence of such animal on the premises, whether or not the Association has given its permission therefor. Each Owner shall be responsible for collection and disposition of all fecal matter deposited by any pet maintained by such Owner. No dog which barks and can be heard on any frequent or continuing basis shall be kept in any Unit or on the Common Elements even if permission was previously granted to maintain the pet on the premises. The Association may charge all Owners maintaining animals a reasonable additional assessment to be collected in the manner provided in Article II of these Bylaws in the event that the Association determines such assessment necessary to defray the maintenance cost to the Association of accommodating animals within the Condominium. The Association may, without liability to the owner thereof, remove or cause to be removed any animal from the Condominium which it determines to be in violation of the restrictions imposed by this Section. The Association shall have the

right to require that any pets be registered with it and may adopt such additional reasonable rules and regulations with respect to animals as it may deem proper. In the event of any violation of this Section, the Board of Directors of the Association may assess fines for such violation in accordance with these Bylaws and in accordance with duly adopted rules and regulations of the Association and/or revoke the privilege of an Owner to maintain a pet in the Condominium.

Section 7. Aesthetics. The Common Elements shall not be used for storage of supplies, materials, personal property or trash or refuse of any kind, except as provided in duly adopted rules and regulations of the Association. Trash receptacles shall be maintained in the garage or in other areas designated therefor at all times and shall not be permitted to remain elsewhere on the Common Elements except for such short periods of time as may be reasonably necessary to permit periodic collection of trash. The Common Elements shall not be used in any way for the drying, shaking or airing of clothing or other fabrics. Vacant Units must be neatly maintained with weeds cut and without accumulation of natural or other debris. In general, no activity shall be carried on nor condition maintained by an Owner, either in his Unit or upon the Common Elements, which is detrimental to the appearance of the Condominium. Without written approval by the Association, no Owner shall change in any way the exterior appearance of the residence and other improvements and appurtenances located within his Unit. Thus, in connection with any maintenance, repair, replacement, decoration or redecoration of such residence, improvements or appurtenances, no Owner shall modify the design, material or color of any such item including, without limitation, windows, doors, screens, roofs, siding or any other component of any building, or other structure which is visible from a Common Element or other Unit without the written approval of the Association.

Section 8. Vehicles. No house trailers, commercial vehicles, boat trailers, boats, camping vehicles, camping trailers, motorcycles, all terrain vehicles, snowmobiles, snowmobile trailers or vehicles, other than automobiles or vehicles used primarily for general personal transportation purposes, may be parked or stored in any area which is visible from any portion of the Condominium Premises except as hereinafter provided or as provided in duly adopted Rules and Regulations. All vehicles shall be parked in garages to the extent possible. Garage doors shall be kept closed when not in use. Commercial vehicles and trucks shall not be parked in or about the Condominium (except as above provided) unless while making deliveries or pickups in the normal course of business. The Association may prohibit parking of vehicles other than passenger vehicles on the Common Elements. Owners shall, if the Association shall require, register with the Association all cars maintained on the Condominium Premises.

Section 9. Advertising. No signs or other advertising devices of any kind shall be displayed which are visible from the exterior of a Unit or on the Common Elements, other than "For Sale" signs, except by the Developer, during the Development and Sales Period, and, subsequent thereto, only with prior written permission from the Association.

Section 10. Driveways and Garages. All driveways shall be paved with asphalt or concrete, and shall be completed prior to occupancy. All garages shall be attached to the main dwelling and shall provide for entry from the side or rear so that no garage openings shall face the street in front of the dwelling.

Section 11. Swimming Pools. No above ground swimming pool shall be erected or maintained upon any Unit. In-ground swimming pools may be installed in the rear yards only upon written approval of the Developer based upon plans and specifications thereof. The size, configuration and exterior appearance of any such in-ground swimming pool and its adjacent fence shall be subject to the approval of the Developer. No "cyclone" type fences around swimming pools shall be approved under any circumstances.

Section 12. Transmission Devices. No outside radio, television aerial, antenna, satellite dish or other reception or transmission device shall be placed, constructed, altered or maintained on any Unit without the prior written consent of the Developer except for rooftop television antennae.

Section 13. Dog Runs. Dog runs or other enclosed shelters for permitted animals must be an integral part of the approved dwelling and must be approved by the Developer and the City of Novi relative to the location, design, screening and fencing of such structure(s). Any such structure or dog run must be located in a rear yard area and kept in a clean and sanitary condition at all times.

Section 14. Walls and Fences. No fence or wall of any type shall be permitted for the purpose of enclosing any Unit or portion thereof except to enclose swimming pool areas or dog runs. Wrought iron fencing (but not fencing of the wire type commonly known as "cyclone fencing") may be used on any Unit in locations approved by the Developer for the purpose of enclosing a permitted swimming pool. The side yards and rear yard (but not the front yard) of any Unit may be enclosed by landscaping treatments pursuant to a plan approved by the Developer, provided that the street side of a corner Unit shall be considered a second front yard for purposes of the foregoing limitations.

Section 15. Trees. No Co-owner shall cut down or trim any tree located on any Unit which has a diameter of 6 inches or more measured 4 feet above ground level without the prior written approval of the Association and, during the Development and Sales Period, the Developer. The Developer and the Association shall permit only such tree cutting as may be reasonably necessary for construction of dwellings and as may be necessary to provide adequate stormwater drainage. No Co-owner may cut or trim any tree or other vegetation located on the Common Elements without approval of the Developer and the Association. Each tree removed or trimmed in violation of this provision shall constitute a separate violation and shall subject the offending Co-owner to fines as set forth in Articles XIX and XX of these Bylaws. This provision shall apply to any tree located within the Condominium Premises, whether within any Unit or upon the General Common Elements. Co-owners shall also comply with any ordinances of the City of Novi, which are applicable from time to time to the Condominium Premises.

Section 16. Rules and Regulations. It is intended that the Board of Directors of the Association may make rules and regulations from time to time to reflect the needs and desires of the majority of the Owners in the Condominium. Reasonable regulations consistent with the Act, the Master Deed and these Bylaws concerning the use of the Common Elements may be made and amended from time to time by any Board of Directors of the Association, including the first Board of Directors (or its successors) prior to the Transitional Control Date. Copies of all such rules, regulations and amendments thereto shall be furnished to all Owners.

Section 17. Common Element Maintenance. Sidewalks, yards, landscaped areas, driveways, and parking areas shall not be obstructed nor shall they be used for purposes other than that for which they are reasonably and obviously intended. No bicycles, vehicles, chairs or other obstructions may be left unattended on or about the Common Elements.

Section 18. Owner Maintenance. Each Owner shall maintain his Unit in a safe, clean and sanitary condition. Each Owner shall also use due care to avoid damaging any of the Common Elements including, but not limited to, the telephone, water, gas, electrical or other utility conduits and systems and any other Common Elements in any Unit which are appurtenant to or which may affect any other Unit. Each Owner shall be responsible for damages or costs to the Association resulting from negligent damage to or misuse of any of the Common Elements by him, or his family, guests, agents or invitees, unless such damages or costs are covered by insurance carried by the Association (in which case there shall be no such responsibility, unless reimbursement to the Association is limited by virtue of a deductible provision, in which case the responsible Owner shall bear the expense to the extent of the deductible amount). Any costs or damages to the Association may be assessed to and collected from the responsible Owner in the manner provided in Article II hereof.

Section 19. Right of Access of Association. The Association or its duly authorized agents shall have access to each Unit from time to time, during reasonable working hours, upon notice to the Owner thereof, as may be necessary to carry out any responsibilities imposed on the Association by the Condominium Documents. The Association or its agents shall also have access to Units appurtenant thereto as may be necessary to respond to emergencies. The Association may gain access in such manner as may be reasonable under the circumstances and shall not be liable to such Owner for any necessary damage to his Unit caused thereby. This provision, in and of itself, shall not be construed to permit access to the interiors of residences or other structures.

Section 20. Reserved Rights of Developer.

(a) Prior Approval by Developer. During the Development and Sales Period, no buildings, fences, walls, retaining walls, drives, walks or other structures or improvements shall be commenced, erected, maintained, nor shall any addition to, or change or alteration to any structure be made (including in color or design), except interior alterations which do not affect structural elements of any Unit, until plans and specifications, acceptable to the Developer, showing the nature, kind, shape, height, materials, color scheme,

location and approximate cost of such structure or improvement shall have been submitted to and approved in writing by Developer, its successors or assigns, and a copy of said plans and specifications, as finally approved, lodged permanently with the Developer. The Developer shall have the right to refuse to approve any such plan or specifications which are not suitable or desirable in its opinion for aesthetic or other reasons; and in passing upon such plans and specifications, it shall have the right to take into consideration the suitability of the proposed structure, improvement or modification, the site upon which it is proposed to effect the same, and the degree of harmony thereof with the Condominium as a whole. The purpose of this Section is to assure the continued maintenance of the Condominium as a beautiful and harmonious residential development, and shall be binding upon both the Association and upon all Owners.

(b) Developer's Rights in Furtherance of Development and Sales. None of the restrictions contained in this Article VI shall apply to the commercial activities or signs or billboards, if any, of the Developer during the Development and Sales Period or of the Association in furtherance of its powers and purposes set forth herein and in its Articles of Incorporation, as the same may be amended from time to time. Notwithstanding anything to the contrary elsewhere herein contained, Developer shall have the right to maintain a sales office, model units, advertising display signs, storage areas and reasonable parking incident to the foregoing and such access to, from and over the Project as may be reasonable to enable development and sale of the entire Project by the Developer and may continue to do so during the entire Development and Sales Period and for so long as Developer may be in the process of developing other residential property within five (5) miles of Walden Woods II; provided, however, that model Units may be maintained after the expiration of the Development and Sales Period only if the City of Novi does not prohibit the same.

(c) Enforcement of Bylaws. The Condominium Project shall at all times be maintained in a manner consistent with the highest standards of a beautiful, serene, private, residential community for the benefit of the Owners and all persons interested in the Condominium. If at any time the Association fails or refuses to carry out its obligation to maintain, repair, replace and landscape in a manner consistent with the maintenance of such high standards, then the Developer, or any person to whom he may assign this right, at his option, may elect to maintain, repair and/or replace any Common Elements and/or to do any landscaping required by these Bylaws and to charge the cost thereof to the Association as an expense of administration. The Developer shall have the right to enforce these Bylaws throughout the Development and Sales Period which right of enforcement shall include (without limitation) an action to restrain the Association or any Owner from any activity prohibited by these Bylaws.

#### Section 21. Maintenance of Yards and Lawns.

(a) Yards and Lawns. All yard areas within Units (unless such a Unit has not been built upon) shall be well maintained in keeping with such rules and regulations as may be promulgated from time to

time by the Developer and the Association. Well maintained lawns shall be deemed to be lawns which are regularly cut to a uniform height appropriate for such grass in a first-class residential development, and are trimmed and edged to preserve a neat, groomed and cared-for appearance in the Condominium. The Developer may also specify time periods within which established lawns shall be installed which ordinarily shall not exceed one year from the date of issuance of a Certificate of Occupancy for a dwelling. Each Co-owner shall maintain his lawn beyond the front Unit line extending to the shoulder of the road pavement.

(b) Enforcement. If any of the provisions in this Section 21 are violated by the Co-owner or his or her representatives or if there is a failure to comply, the Developer or Association may hire workmen and buy materials necessary to cure the violation and may charge the Co-owner the actual expense incurred for such violations plus an administrative fee to cover the expenses attendant in correcting the damage resulting from the violation of these provisions and to help defray the extra expenses incurred by the Developer and the Association in undertaking the necessary repairs and the supervision of such repairs. The Developer and the Association shall also have all remedies set forth in these Bylaws and under Michigan law, including the right to place a lien on the Unit and equitable relief.

Section 22. Open Areas. The Open Areas depicted as such on the Condominium Subdivision Plan shall be used only in accordance with the duly promulgated rules and regulations of the Developer or the Association. The Developer and/or the Association shall, however, be permitted (but not required), in their sole discretion, to install walking trails, gazebos, picnic areas, and similar amenities within the Open Areas subject, however, to approval by public authorities having jurisdiction.

Section 23. Setbacks. No residence shall be erected closer to front, side and rear Unit lines than permitted by the City of Novi Zoning Ordinance. Any deviation from the applicable setbacks must be approved or waived in writing by the City and the Developer due to the topography of the site or for other appropriate reasons.

Section 24. Non-Disturbance of Wetlands. Certain portions of the land within the Condominium are wetlands which are protected by federal and state law. Under the provisions of the Goemaere-Anderson Wetland Protection Act, Public Act No. 203 of 1979, any disturbance of a wetland by depositing material in it, dredging or removing material from it or draining water from the wetland may be done only after a permit has been obtained from the Department of Natural Resources or its administrative successor. The penalties specified in the Goemaere-Anderson Wetland Protection Act are substantial. In order to assure no inadvertent violation of the Goemaere-Anderson Wetland Protection Act occur, no Co-owner may disturb the wetland depicted on the Condominium Subdivision Plan without obtaining: (1) written authorization of the Association; (2) any necessary municipal permits; and (3) any necessary state permits. The Association may assess fines and penalties as provided for in these Bylaws for violation of this Section. The Association shall likewise be bound by and comply with this Section.

**Section 25. Temporary Structures.** No structure of a temporary character, trailer, commercial vehicle, recreation vehicle, shack, garage, barn, storage shed, tent, tree house, or other similar outbuilding, may be permanently placed on any Unit, except that (i) tents for entertainment purposes may be erected on any Unit for periods not to exceed five (5) days; (ii) an appurtenant swimming pool bathhouse may be maintained on any Unit, provided that the plans for such swimming pool and bathhouse shall have been approved by the Developer and the City of Novi; and (iii) a temporary storage building for the storage of materials and supplies to be used in connection with the construction of a dwelling on any Unit may be kept and maintained on such Unit during the period of such construction.

**Section 26. General.** The purpose of this Article VI is to assure the continued maintenance of the Condominium as a beautiful and harmonious residential development, and shall be binding upon all Co-owners. The Developer may, in its sole discretion, waive any part of the restrictions set forth in this Article VI due to unusual topographic, natural or aesthetic considerations or other circumstances which the Developer deems compelling. Any such waiver must be in writing and shall be limited to the Unit to which it pertains and shall not constitute a waiver as to enforcement of the restrictions as to any other Unit. Developer's rights under this Article VI may, in Developer's discretion, be assigned to the Association or other successor to Developer. Developer may construct any improvements upon the Condominium Premises that it may, in its sole discretion, elect to make without the necessity of prior consent from the Association or any other person or entity, subject only to the express limitations contained in the Condominium Documents.

## ARTICLE VII

### MORTGAGES

**Section 1. Notice to Association.** Any Owner who mortgages his Unit shall notify the Association of the name and address of the mortgagee, and the Association shall maintain such information in a book entitled "Mortgages of Units." The Association may, at the written request of a mortgagee of any such Unit, report any unpaid assessments due from the Owner of such Unit. The Association shall give to the holder of any first mortgage covering any Unit in the Project written notification of any default in the performance of the obligations of the Owner of such Unit that is not cured within 60 days.

**Section 2. Insurance.** The Association shall notify each mortgagee appearing in said book of the name of each company insuring the Condominium against fire, perils covered by extended coverage, and vandalism and malicious mischief and the amounts of such coverage.

**Section 3. Notification of Meetings.** Upon request submitted to the Association, any institutional holder of a first mortgage lien on any Unit in the Condominium shall be entitled to receive written notification of every meeting of the members of the Association and to designate a representative to attend such meeting.

## ARTICLE VIII

### VOTING

Section 1. Vote. Each Owner shall be entitled to one vote for each Condominium Unit owned.

Section 2. Eligibility to Vote. No Owner, other than the Developer, shall be entitled to vote at any meeting of the Association until he has presented evidence of ownership of a Unit in the Condominium Project to the Association. Except as provided in Article XI, Section 2 of these Bylaws, no Owner, other than the Developer, shall be entitled to vote prior to the date of the First Annual Meeting of members held in accordance with Section 2 of Article IX. The vote of each Owner may be cast only by the individual representative designated by such Owner in the notice required in Section 3 of this Article VIII below or by a proxy given by such individual representative. The Developer shall be the only person entitled to vote at a meeting of the Association until the First Annual Meeting of members and shall be entitled to vote during such period notwithstanding the fact that the Developer may own no Units at some time or from time to time during such period. At and after the First Annual Meeting the Developer shall be entitled to one vote for each Unit which it owns.

Section 3. Designation of Voting Representative. Each Owner shall file a written notice with the Association designating the individual representative who shall vote at meetings of the Association and receive all notices and other communications from the Association on behalf of such Owner. Such notice shall state the name and address of the individual representative designated, the number or numbers of the Condominium Unit or Units owned by the Owner, and the name and address of each person, firm, corporation, partnership, association, trust or other entity who is the Owner. Such notice shall be signed and dated by the Owner. The individual representative designated may be changed by the Owner at any time by filing a new notice in the manner herein provided.

Section 4. Quorum. The presence in person or by proxy of 35% of the Owners qualified to vote shall constitute a quorum for holding a meeting of the members of the Association, except for voting on questions specifically required by the Condominium Documents to require a greater quorum. The written vote of any person furnished at or prior to any duly called meeting at which meeting said person is not otherwise present in person or by proxy shall be counted in determining the presence of a quorum with respect to the question upon which the vote is cast.

Section 5. Voting. Votes may be cast only in person or by a writing duly signed by the designated voting representative not present at a given meeting in person or by proxy. Proxies and any written votes must be filed with the Secretary of the Association at or before the appointed time of each meeting of the members of the Association. Cumulative voting shall not be permitted.

Section 6. Majority. A majority, except where otherwise provided herein, shall consist of more than 50% of those qualified to vote and present in person or by proxy (or written vote, if applicable) at a given meeting of the members of the Association. Whenever provided specifically herein, a majority may be required to exceed the simple majority hereinabove set forth of designated voting representatives present in person or by proxy, or by written vote, if applicable, at a given meeting of the members of the Association.

## ARTICLE IX

### MEETINGS

Section 1. Place of Meeting. Meetings of the Association shall be held at the principal office of the Association or at such other suitable place convenient to the Owners as may be designated by the Board of Directors. Meetings of the Association shall be conducted in accordance with Sturgis' Code of Parliamentary Procedure, Roberts Rules of Order or some other generally recognized manual of parliamentary procedure, when not otherwise in conflict with the Condominium Documents (as defined in the Master Deed) or the laws of the State of Michigan.

Section 2. First Annual Meeting. The First Annual Meeting of members of the Association may be convened only by the Developer and may be called at any time after more than 50% of the Units in Walden Woods II have been sold and the purchasers thereof qualified as members of the Association. In no event, however, shall such meeting be called later than 120 days after the conveyance of legal or equitable title to non-developer Owners of 75% in number of all Units or 54 months after the first conveyance of legal or equitable title to a non-developer Owner of a Unit in the Project, whichever first occurs. The Developer may call meetings of members for informative or other appropriate purposes prior to the First Annual Meeting of members and no such meeting shall be construed as the First Annual Meeting of members. The date, time and place of such meeting shall be set by the Board of Directors, and at least 10 days' written notice thereof shall be given to each Owner.

Section 3. Annual Meetings. Annual meetings of members of the Association shall be held on the third Tuesday of March each succeeding year after the year in which the First Annual Meeting is held, at such time and place as shall be determined by the Board of Directors; provided, however, that the second annual meeting shall not be held sooner than 8 months after the date of the First Annual Meeting. At such meetings there shall be elected by ballot of the Owners a Board of Directors in accordance with the requirements of Article XI of these Bylaws. The Owners may also transact at annual meetings such other business of the Association as may properly come before them.

Section 4. Special Meetings. It shall be the duty of the President to call a special meeting of the Owners as directed by resolution of the Board of Directors or upon a petition signed by 1/3 of the Owners presented to the Secretary of the Association. Notice of any special meeting shall state the time and place of such meeting and the purposes thereof. No business shall be transacted at a special meeting except as stated in the notice.

Section 5. Notice of Meetings. It shall be the duty of the Secretary (or other Association officer in the Secretary's absence) to serve a notice of each annual or special meeting, stating the purpose thereof as well as the time and place where it is to be held, upon each Owner of record, at least 10 days but not more than 60 days prior to such meeting. The mailing, postage prepaid, of a notice to the representative of each Owner at the address shown in the notice required to be filed with the Association by Article VIII, Section 3 of these Bylaws shall be deemed notice served. Any member may, by written waiver of notice signed by such member, waive such notice, and such waiver, when filed in the records of the Association, shall be deemed due notice.

Section 6. Adjournment. If any meeting of Owners cannot be held because a quorum is not in attendance, the Owners who are present may adjourn the meeting to a time not less than 48 hours from the time the original meeting was called.

Section 7. Order of Business. The order of business at all meetings of the members shall be as follows: (a) roll call to determine the voting power represented at the meeting; (b) proof of notice of meeting or waiver of notice; (c) reading of minutes of preceding meeting; (d) reports of officers; (e) reports of committees; (f) appointment of inspectors of election (at annual meetings or special meetings held for the purpose of electing Directors or officers); (g) election of Directors (at annual meeting or special meetings held for such purpose); (h) unfinished business; and (i) new business. Meetings of members shall be chaired by the most senior officer of the Association present at such meeting. For purposes of this Section, the order of seniority of officers shall be President, Vice President, Secretary and Treasurer.

Section 8. Action Without Meeting. Any action which may be taken at a meeting of the members (except for the election or removal of Directors) may be taken without a meeting by written ballot of the members. Ballots shall be solicited in the same manner as provided in Section 5 for the giving of notice of meetings of members. Such solicitations shall specify (a) the number of responses needed to meet the quorum requirements; (b) the percentage of approvals necessary to approve the action; and (c) the time by which ballots must be received in order to be counted. The form of written ballot shall afford an opportunity to specify a choice between approval and disapproval of each matter and shall provide that, where the member specifies a choice, the vote shall be cast in accordance therewith. Approval by written ballot shall be constituted by receipt, within the time period specified in the solicitation, of (i) a number of ballots which equals or exceeds the quorum which would be required if the action were taken at a meeting; and (ii) a number of approvals which equals or exceeds the number of votes which would be required for approval if the action were taken at a meeting at which the total number of votes cast was the same as the total number of ballots cast.

Section 9. Consent of Absentees. The transactions at any meeting of members, either annual or special, however called and noticed, shall be as valid as though made at a meeting duly held after regular call and notice, if a quorum is present either in person or by proxy; and if, either before or

after the meeting, each of the members not present in person or by proxy, signs a written waiver of notice, or a consent to the holding of such meeting, or an approval of the minutes thereof. All such waivers, consents or approvals shall be filed with the corporate records or made a part of the minutes of the meeting.

Section 10. Minutes; Presumption of Notice. Minutes or a similar record of the proceedings of meetings of members, when signed by the President or Secretary, shall be presumed truthfully to evidence the matters set forth therein. A recitation in the minutes of any such meeting that notice of the meeting was properly given shall be prima facie evidence that such notice was given.

## ARTICLE X

### ADVISORY COMMITTEE

Within one year after conveyance of legal or equitable title to the first Unit in the Condominium to a purchaser or within 120 days after conveyance to purchasers of 1/3 of the Units, whichever first occurs, the Developer shall cause to be established an Advisory Committee consisting of at least three non-developer Owners. The Committee shall be established and perpetuated in any manner the Developer deems advisable, except that if more than 50% of the non-developer Owners petition the Board of Directors for an election to select the Advisory Committee, then an election for such purpose shall be held. The purpose of the Advisory Committee shall be to facilitate communications between the temporary Board of Directors and the other Owners and to aid in the transition of control of the Association from the Developer to purchaser Owners. The Advisory Committee shall cease to exist automatically when the non-developer Owners have the voting strength to elect a majority of the Board of Directors of the Association. The Developer may remove and replace at its discretion at any time any member of the Advisory Committee who has not been elected thereto by the Owners.

## ARTICLE XI

### BOARD OF DIRECTORS

Section 1. Number and Qualification of Directors. The Board of Directors shall initially be comprised of three members and shall continue to be so comprised until enlarged to five members in accordance with the provisions of Section 2 hereof. Thereafter, the affairs of the Association shall be governed by a Board of Directors, all of whom must be members of the Association or officers, partners, trustees, employees or agents of members of the Association, except for the first Board of Directors. Directors shall serve without compensation.

Section 2. Election of Directors.

(a) First Board of Directors. The first Board of Directors shall be comprised of three persons and such first Board of Directors, or its successors as selected by the Developer, shall manage the affairs of the Association until the appointment of the first non-developer Owners to the Board. Immediately prior to the appointment of the first non-developer Owner to the Board, the Board shall be increased in size from three persons to five persons. Thereafter, elections for non-developer Owner Directors shall be held as provided in subsections (b) and (c) below.

(b) Appointment of Non-developer Owners to Board Prior to First Annual Meeting. Not later than 120 days after conveyance of legal or equitable title to non-developer Owners of 25% of the Units, one of the five Directors shall be selected by non-developer Owners. Not later than 120 days after conveyance of legal or equitable title to non-developer Owners of 50% of the Units, two of the five Directors shall be elected by non-developer Owners. When the required number of conveyances have been reached, the Developer shall notify the non-developer Owners and request that they hold a meeting and elect the required Director or Directors, as the case may be. Upon certification by the Owners to the Developer of the Director or Directors so elected, the Developer shall then immediately appoint such Director or Directors to the Board to serve until the First Annual Meeting of members unless he is removed pursuant to Section 7 of this Article or he resigns or becomes incapacitated.

(c) Election of Directors at and After First Annual Meeting.

(i) Not later than 120 days after conveyance of legal or equitable title to non-developer Owners of 75% of the Units, the non-developer Owners shall elect all Directors on the Board, except that the Developer shall have the right to designate at least one Director as long as it owns at least 10% of all Units in the Project. Whenever the required conveyance level is achieved, a meeting of Owners shall be promptly convened to effectuate this provision, even if the First Annual Meeting has already occurred.

(ii) Regardless of the percentage of Units which have been conveyed, upon the expiration of 54 months after the first conveyance of legal or equitable title to a non-developer Owner of a Unit in the Project, the non-developer Owners have the right to elect a number of members of the Board of Directors equal to the percentage of Units they own, and the Developer has the right to elect a number of members of the Board of Directors equal to the percentage of Units which are owned by the Developer and for which all assessments are payable by the Developer. This election may increase, but shall not reduce, the minimum election and designation rights otherwise established in subsection (i). Application of this subsection does not require a change in the size of the Board of Directors.

(iii) If the calculation of the percentage of members of the Board of Directors that the non-developer Owners have the right to elect under subsection (ii), or if the product of the number of members of the Board of Directors multiplied by the percentage of Units held by the non-developer Owners under subsection (b) results in a right of non-developer Owners to elect a fractional number of members of the Board of Directors, then a fractional election right of 0.5 or greater shall be rounded up to the nearest whole number, which number shall be the number of members of the Board of Directors that the non-developer Owners have the right to elect. After application of this formula the Developer shall have the right to elect the remaining members of the Board of Directors. Application of this subsection shall not eliminate the right of the Developer to designate one Director as provided in subsection (i).

(iv) At the First Annual Meeting three Directors shall be elected for a term of two years and two Directors shall be elected for a term of one year. At such meeting all nominees shall stand for election as one slate and the three persons receiving the highest number of votes shall be elected for a term of two years and the two persons receiving the next highest number of votes shall be elected for a term of one year. At each annual meeting held thereafter, either two or three Directors shall be elected depending upon the number of Directors whose terms expire. After the First Annual Meeting, the term of office (except for two of the Directors elected at the First Annual Meeting) of each Director shall be two years. The Directors shall hold office until their successors have been elected and hold their first meeting.

(v) Once the Owners have acquired the right hereunder to elect a majority of the Board of Directors, annual meetings of Owners to elect Directors and conduct other business shall be held in accordance with the provisions of Article IX, Section 3 hereof.

**Section 3. Powers and Duties.** The Board of Directors shall have the powers and duties necessary for the administration of the affairs of the Association and may do all acts and things as are not prohibited by the Condominium Documents or required thereby to be exercised and done by the Owners.

**Section 4. Other Duties.** In addition to the foregoing duties imposed by these Bylaws or any further duties which may be imposed by resolution of the members of the Association, the Board of Directors shall be responsible specifically for the following:

(a) To manage and administer the affairs of and to maintain the Condominium Project and the Common Elements thereof.

(b) To levy and collect assessments from the members of the Association and to use the proceeds thereof for the purposes of the Association.

(c) To carry insurance and collect and allocate the proceeds thereof.

(d) To rebuild improvements after casualty.

(e) To contract for and employ persons, firms, corporations or other agents to assist in the management, operation, maintenance and administration of the Condominium Project.

(f) To acquire, maintain and improve; and to buy, operate, manage, sell, convey, assign, mortgage or lease any real or personal property (including any Unit in the Condominium and easements, rights-of-way and licenses) on behalf of the Association in furtherance of any of the purposes of the Association.

(g) To borrow money and issue evidences of indebtedness in furtherance of any or all of the purposes of the Association, and to secure the same by mortgage, pledge, or other lien on property owned by the Association; provided, however, that any such action shall also be approved by affirmative vote of 75% of all of the members of the Association.

(h) To make rules and regulations in accordance with Article VI, Section 16 of these Bylaws.

(i) To establish such committees as it deems necessary, convenient or desirable and to appoint persons thereto for the purpose of implementing the administration of the Condominium and to delegate to such committees any functions or responsibilities which are not by law or the Condominium Documents required to be performed by the Board.

(j) To enforce the provisions of the Condominium Documents.

Section 5. Management Agent. The Board of Directors may employ for the Association a professional management agent (which may include the Developer or any person or entity related thereto) at reasonable compensation established by the Board to perform such duties and services as the Board shall authorize, including, but not limited to, the duties listed in Sections 3 and 4 of this Article, and the Board may delegate to such management agent any other duties or powers which are not by law or by the Condominium Documents required to be performed by or have the approval of the Board of Directors or the members of the Association. In no event shall the Board be authorized to enter into any contract with a professional management agent, or any other contract providing for services by the Developer, sponsor or builder, in which the maximum term is greater than 3 years or which is not terminable by the Association upon 90 days' written notice thereof to the other party and no such contract shall violate the provisions of Section 55 of the Act.

Section 6. Vacancies. Vacancies in the Board of Directors which occur after the Transitional Control Date caused by any reason other than the removal of a Director by a vote of the members of the Association shall be filled by vote of the majority of the remaining Directors, even though they may constitute less than a quorum, except that the Developer shall be solely entitled to fill the vacancy of any Director whom it is permitted in the first instance to designate. Each person so elected shall be a Director until a successor is elected at the next annual meeting of the members of the Association. Vacancies among non-developer Owner elected Directors which occur prior to the Transitional Control Date may be filled only through election by non-developer Owners and shall be filled in the manner specified in Section 2(b) of this Article.

Section 7. Removal. At any regular or special meeting of the Association duly called with due notice of the removal action proposed to be taken, any one or more of the Directors may be removed with or without cause by the affirmative vote of more than 50% of all of the Owners and a successor may then and there be elected to fill any vacancy thus created. The quorum requirement for the purpose of filling such vacancy shall be the normal 35% requirement set forth in Article VIII, Section 4. Any Director whose removal has been proposed by the Owners shall be given an opportunity to be heard at the meeting. The Developer may remove and replace any or all of the Directors selected by it at any time or from time to time in its sole discretion. Likewise, any Director selected by the non-developer Owners to serve before the First Annual Meeting may be removed before the First Annual Meeting in the same manner set forth in this paragraph for removal of Directors generally.

Section 8. First Meeting. The first meeting of a newly elected Board of Directors shall be held within 10 days of election at such place as shall be fixed by the Directors at the meeting at which such Directors were elected, and no notice shall be necessary to the newly elected Directors in order legally to constitute such meeting, providing a majority of the whole Board shall be present.

Section 9. Regular Meetings. Regular meetings of the Board of Directors may be held at such times and places as shall be determined from time to time by a majority of the Directors, but at least two such meetings shall be held during each fiscal year. Notice of regular meetings of the Board of Directors shall be given to each Director personally, by mail, telephone or telegraph, at least 10 days prior to the date named for such meeting.

Section 10. Special Meetings. Special meetings of the Board of Directors may be called by the President on 3 days' notice to each Director given personally, by mail, telephone or telegraph, which notice shall state the time, place and purpose of the meeting. Special meetings of the Board of Directors shall be called by the President or Secretary in like manner and on like notice on the written request of two Directors.

Section 11. Waiver of Notice. Before or at any meeting of the Board of Directors, any Director may, in writing, waive notice of such meeting and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a Director at any meetings of the Board shall be deemed a waiver of

notice by him of the time and place thereof. If all the Directors are present at any meeting of the Board, no notice shall be required and any business may be transacted at such meeting.

Section 12. Quorum. At all meetings of the Board of Directors, a majority of the Directors shall constitute a quorum for the transaction of business, and the acts of the majority of the Directors present at a meeting at which a quorum is present shall be the acts of the Board of Directors. If, at any meeting of the Board of Directors, there be less than a quorum present, the majority of those present may adjourn the meeting to a subsequent time upon 24 hours' prior written notice delivered to all Directors not present. At any such adjourned meeting, any business which might have been transacted at the meeting as originally called may be transacted without further notice. The joinder of a Director in the action of a meeting by signing and concurring in the minutes thereof, shall constitute the presence of such Director for purposes of determining a quorum.

Section 13. First Board of Directors. The actions of the first Board of Directors of the Association or any successors thereto selected or elected before the Transitional Control Date shall be binding upon the Association so long as such actions are within the scope of the powers and duties which may be exercised generally by the Board of Directors as provided in the Condominium Documents.

Section 14. Fidelity Bonds. The Board of Directors shall require that all officers and employees of the Association handling or responsible for Association funds shall furnish adequate fidelity bonds. The premiums on such bonds shall be expenses of administration.

## ARTICLE XII

### OFFICERS

Section 1. Officers. The principal officers of the Association shall be a President, who shall be a member of the Board of Directors, a Vice President, a Secretary and a Treasurer. The Directors may appoint an Assistant Treasurer, and an Assistant Secretary, and such other officers as in their judgment may be necessary. Any two offices except that of President and Vice President may be held by one person.

(a) President. The President shall be the chief executive officer of the Association. He shall preside at all meetings of the Association and of the Board of Directors. He shall have all of the general powers and duties which are usually vested in the office of the President of an association, including, but not limited to, the power to appoint committees from among the members of the Association from time to time as he may in his discretion deem appropriate to assist in the conduct of the affairs of the Association.

(b) Vice President. The Vice President shall take the place of the President and perform his duties whenever the President shall be absent or unable to act. If neither the President nor the Vice

President is able to act, the Board of Directors shall appoint some other member of the Board to so do on an interim basis. The Vice President shall also perform such other duties as shall from time to time be imposed upon him by the Board of Directors.

(c) Secretary. The Secretary shall keep the minutes of all meetings of the Board of Directors and the minutes of all meetings of the members of the Association; he shall have charge of the corporate seal, if any, and of such books and papers as the Board of Directors may direct; and he shall, in general, perform all duties incident to the office of the Secretary.

(d) Treasurer. The Treasurer shall have responsibility for the Association's funds and securities and shall be responsible for keeping full and accurate accounts of all receipts and disbursements in books belonging to the Association. He shall be responsible for the deposit of all monies and other valuable effects in the name and to the credit of the Association, and in such depositories as may, from time to time, be designated by the Board of Directors.

Section 2. Election. The officers of the Association shall be elected annually by the Board of Directors at the organizational meeting of each new Board and shall hold office at the pleasure of the Board.

Section 3. Removal. Upon affirmative vote of a majority of the members of the Board of Directors, any officer may be removed either with or without cause, and his successor elected at any regular meeting of the Board of Directors, or at any special meeting of the Board called for such purpose. No such removal action may be taken, however, unless the matter shall have been included in the notice of such meeting. The officer who is proposed to be removed shall be given an opportunity to be heard at the meeting.

Section 4. Duties. The officers shall have such other duties, powers and responsibilities as shall, from time to time, be authorized by the Board of Directors.

## ARTICLE XIII

### SEAL

The Association may (but need not) have a seal. If the Board determines that the Association shall have a seal, then it shall have inscribed thereon the name of the Association, the words "corporate seal", and "Michigan".

## ARTICLE XIV

### FINANCE

Section 1. Records. The Association shall keep detailed books of account showing all expenditures and receipts of administration, and which

shall specify the maintenance and repair expenses of the Common Elements and any other expenses incurred by or on behalf of the Association and the Owners. Such accounts and all other Association records shall be open for inspection by the Owners and their mortgagees during reasonable working hours. The Association shall prepare and distribute to each Owner at least once a year a financial statement, the contents of which shall be defined by the Association. The books of account shall be audited at least annually by qualified independent auditors; provided, however, that such auditors need not be certified public accountants nor does such audit need to be a certified audit. Any institutional holder of a first mortgage lien on any Unit in the Condominium shall be entitled to receive a copy of such annual audited financial statement within 90 days following the end of the Association's fiscal year upon request therefor. The costs of any such audit and any accounting expenses shall be expenses of administration.

Section 2. Fiscal Year. The fiscal year of the Association shall be an annual period commencing on such date as may be initially determined by the Directors. The commencement date of the fiscal year shall be subject to change by the Directors for accounting reasons or other good cause.

Section 3. Bank. Funds of the Association shall be initially deposited in such bank or savings association as may be designated by the Directors and shall be withdrawn only upon the check or order of such officers, employees or agents as are designated by resolution of the Board of Directors from time to time. The funds may be invested from time to time in accounts or deposit certificates of such bank or savings association as are insured by the Federal Deposit Insurance Corporation or the Federal Savings and Loan Insurance Corporation and may also be invested in interest-bearing obligations of the United States Government.

## ARTICLE XV

### INDEMNIFICATION OF OFFICERS AND DIRECTORS

Every Director and officer of the Association shall be indemnified by the Association against all expenses and liabilities, including actual and reasonable counsel fees and amounts paid in settlement, incurred by or imposed upon him in connection with any threatened, pending or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative and whether formal or informal, to which he may be a party or in which he may become involved by reason of his being or having been a Director or officer of the Association, whether or not he is a Director or officer at the time such expenses are incurred, except as otherwise prohibited by law; provided that, in the event of any claim for reimbursement or indemnification hereunder based upon a settlement by the Director or officer seeking such reimbursement or indemnification, the indemnification herein shall apply only if the Board of Directors (with the Director seeking reimbursement abstaining) approves such settlement and reimbursement as being in the best interest of the Association. The foregoing right of indemnification shall be in addition to and not exclusive of all other rights to which such Director or officer may be entitled. At least ten days prior to payment of any indemnification which it has approved, the Board of Directors shall notify all Owners thereof.

Further, the Board of Directors is authorized to carry officers' and directors' liability insurance covering acts of the officers and Directors of the Association in such amounts as it shall deem appropriate.

## ARTICLE XVI

### AMENDMENTS

Section 1. Proposal. Amendments to these Bylaws may be proposed by the Board of Directors of the Association acting upon the vote of the majority of the Directors or may be proposed by 1/3 or more in number of the Owners by instrument in writing signed by them.

Section 2. Meeting. Upon any such amendment being proposed, a meeting for consideration of the same shall be duly called in accordance with the provisions of these Bylaws.

Section 3. Voting. These Bylaws may be amended by the Owners at any regular annual meeting or a special meeting called for such purpose by an affirmative vote of not less than 66-2/3% of all Owners. No consent of mortgagees shall be required to amend these Bylaws unless such amendment would materially alter or change the rights of such mortgagees, in which event the approval of 66-2/3% of the mortgagees shall be required, with each mortgagee to have one vote for each first mortgage held.

Section 4. By Developer. Prior to the Transitional Control Date, these Bylaws may be amended by the Developer without approval from any other person so long as any such amendment does not materially and adversely alter or change the right of an Owner or mortgagee.

Section 5. When Effective. Any amendment to these Bylaws shall become effective upon recording of such amendment in the office of the Oakland County Register of Deeds.

Section 6. Binding. A copy of each amendment to the Bylaws shall be furnished to every member of the Association after adoption; provided, however, that any amendment to these Bylaws that is adopted in accordance with this Article shall be binding upon all persons who have an interest in the Project irrespective of whether such persons actually receive a copy of the amendment.

## ARTICLE XVII

### COMPLIANCE

The Association and all present or future Owners, tenants, future tenants, or any other persons acquiring an interest in or using the Project in any manner are subject to and shall comply with the Act, as amended, and the mere acquisition, occupancy or rental of any Unit or an interest therein or

the utilization of or entry upon the Condominium Premises shall signify that the Condominium Documents are accepted and ratified. In the event the Condominium Documents conflict with the provisions of the Act, the Act shall govern.

## ARTICLE XVIII

### DEFINITIONS

All terms used herein shall have the same meaning as set forth in the Master Deed to which these Bylaws are attached as an Exhibit or as set forth in the Act.

## ARTICLE XIX

### REMEDIES FOR DEFAULT

Any default by an Owner shall entitle the Association or another Owner or Owners to the following relief:

Section 1. Legal Action. Failure to comply with any of the terms or provisions of the Condominium Documents shall be grounds for relief, which may include, without intending to limit the same, an action to recover sums due for damages, injunctive relief, foreclosure of lien (if default in payment of assessment) or any combination thereof, and such relief may be sought by the Association or, if appropriate, by an aggrieved Owner or Owners.

Section 2. Recovery of Costs. In any proceeding arising because of an alleged default by any Owner, the Association, if successful, shall be entitled to recover the costs of the proceeding and such reasonable attorney's fees (not limited to statutory fees) as may be determined by the court, but in no event shall any Owner be entitled to recover such attorney's fees.

Section 3. Removal and Abatement. The violation of any of the provisions of the Condominium Documents shall also give the Association or its duly authorized agents the right, in addition to the rights set forth above, to enter upon the Common Elements or into any Unit, where reasonably necessary, and summarily remove and abate, at the expense of the Owner in violation, any structure, thing or condition existing or maintained contrary to the provisions of the Condominium Documents. The Association shall have no liability to any Owner arising out of the exercise of its removal and abatement power authorized herein.

Section 4. Assessment of Fines. The violation of any of the provisions of the Condominium Documents by any Owner shall be grounds for assessment by the Association, acting through its duly constituted Board of Directors, of monetary fines for such violations. No fine may be assessed unless in accordance with the provisions of Article XX thereof.

Section 5. Non-waiver of Right. The failure of the Association or of any Owner to enforce any right, provision, covenant or condition which may be granted by the Condominium Documents shall not constitute a waiver of the right of the Association or of any such Owner to enforce such right, provision, covenant or condition in the future.

Section 6. Cumulative Rights, Remedies and Privileges. All rights, remedies and privileges granted to the Association or any Owner or Owners pursuant to any terms, provisions, covenants or conditions of the aforesaid Condominium Documents shall be deemed to be cumulative and the exercise of any one or more shall not be deemed to constitute an election of remedies, nor shall it preclude the party thus exercising the same from exercising such other and additional rights, remedies or privileges as may be available to such party at law or in equity.

Section 7. Enforcement of Provisions of Condominium Documents. An Owner may maintain an action against the Association and its officers and Directors to compel such persons to enforce the terms and provisions of the Condominium Documents. An Owner may maintain an action against any other Coowner for injunctive relief or for damages or any combination thereof for noncompliance with the terms and provisions of the Condominium Documents or the Act.

## ARTICLE XX

### ASSESSMENT OF FINES

Section 1. General. The violation by any Owner, occupant or guest of any provisions of the Condominium Documents including any duly adopted rules and regulations shall be grounds for assessment by the Association, acting through its duly constituted Board of Directors, of monetary fines against the involved Owner. Such Owner shall be deemed responsible for such violations whether they occur as a result of his personal actions or the actions of his family, guests, tenants or any other person admitted through such Owner to the Condominium Premises.

Section 2. Procedures. Upon any such violation being alleged by the Board, the following procedures will be followed:

(a) Notice. Notice of the violation, including the Condominium Document provision violated, together with a description of the factual nature of the alleged offense set forth with such reasonable specificity as will place the Owner on notice as to the violation, shall be sent by first class mail, postage prepaid, or personally delivered to the representative of said Owner at the address as shown in the notice required to be filed with the Association pursuant to Article VIII, Section 3 of the Bylaws.

(b) Opportunity to Defend. The offending Owner shall have an opportunity to appear before the Board and offer evidence in defense of the alleged violation. The appearance before the Board shall be at its next scheduled meeting but in no event shall the Owner be required to appear less than 10 days from the date of the Notice.

(c) Default. Failure to respond to the Notice of Violation constitutes a default.

(d) Hearing and Decision. Upon appearance by the Owner before the Board and presentation of evidence of defense, or, in the event of the Owner's default, the Board shall, by majority vote of a quorum of the Board, decide whether a violation has occurred and shall so notify such Owner within ten (10) days of its decision. The Board's decision is final.

Section 3. Amounts. Upon violation of any of the provisions of the Condominium Documents and after default of the offending Owner or upon the decision of the Board as recited above, the following fines shall be levied:

(a) First Violation. No fine shall be levied.

(b) Second Violation. Twenty-Five Dollar (\$25.00) fine.

(c) Third Violation. Fifty Dollar (\$50.00) fine.

(d) Fourth Violation and Subsequent Violations. One Hundred Dollar (\$100.00) fine.

Section 4. Collection. The fines levied pursuant to Section 3 above shall be assessed against the Owner and shall be due and payable together with the regular Condominium assessment on the first of the next following month. Failure to pay the fine will subject the Owner to all liabilities set forth in the Condominium Documents including, without limitation, those described in Article II and Article XIX of the Bylaws.

## ARTICLE XXI

### RIGHTS RESERVED TO DEVELOPER

Any or all of the rights and powers granted or reserved to the Developer in the Condominium Documents or by law, including the right and power to approve or disapprove any act, use, or proposed action or any other matter or thing, may be assigned by it to any other entity or to the Association. Any such assignment or transfer shall be made by appropriate instrument in writing in which the assignee or transferee shall join for the purpose of evidencing its acceptance of such powers and rights and such assignee or transferee shall thereupon have the same rights and powers as herein given and reserved to the Developer. Any rights and powers reserved or granted to the Developer or its successors shall terminate, if not sooner assigned to the Association, at the conclusion of the Development and Sales Period as defined in Article III of the Master Deed. The immediately preceding sentence dealing with the termination of certain rights and powers granted or reserved to the Developer is intended to apply, insofar as the Developer is concerned, only to the Developer's rights to approve and control the administration of the Condominium and shall not, under any circumstances, be construed to apply to or cause the termination of any real property rights granted or reserved to

the Developer or its successors and assigns in the Master Deed or elsewhere (including, but not limited to, access easements, utility easements and all other easements created and reserved in such documents which shall not be terminable in any manner hereunder and which shall be governed only in accordance with the terms of their creation or reservation and not hereby).

## ARTICLE XXII

### SEVERABILITY

In the event that any of the terms, provisions or covenants of these Bylaws or the Condominium Documents are held to be partially or wholly invalid or unenforceable for any reason whatsoever, such holding shall not affect, alter, modify or impair in any manner whatsoever any of the other terms, provisions or covenants of such documents or the remaining portions of any terms, provisions or covenants held to be partially invalid or unenforceable.

ARTICLE IX

LIMITATION OF LIABILITY OF DIRECTORS

No volunteer director, as that term is defined in Act 162, Public Acts of 1982, as amended ("Act"), shall be personally liable to the corporation or its members for monetary damages for breach of fiduciary duty following: (i) breach of the director's duty of loyalty to the corporation or its members; (ii) acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law; (iii) a personal benefit; or (v) an act or omission that is grossly negligent. If the Act hereafter is amended to authorize the further elimination or limitation of the liability of directors, then the liability of a director of the corporation, in addition to the limitation on personal liability contained herein, shall be limited to the fullest extent permitted by the amended Act. No amendment or repeal of this Article IX shall apply to or have any effect on the liability of any director of the corporation for or with respect to any acts or omissions of such director occurring prior to such amendment or repeal.
